These papers relate to the representations made by Messrs. M. Rama Rao and M.A. Krishna Iyengar, Public Prosecutors of the Bangalore and Mysore Divisions, who are under orders of retirement from the 1st July 1909, asking for an extension of their services. Mr. Rama Rao prays that in case he is not given an extension, he may be granted the pension admissible under the Mysore Service Regulations for his services as Public Prosecutor for 24 years, while Mr. Krishna Iyengar asks that he may be kept on until he is found unfit.

2. With a view to secure the best available talent, the term of Public Prosecutors was, under Government Order No.J.1760-71/Cts.321-05-6 dated 22nd December 1906, fixed at 3 years, subject to reappointment in case of satisfactory service. And in Order No.J.2064-76 dated 18th January 1909, the Government, after considering the confidential reports received about the work of Messrs. Rama Rao and Krishna Iyengar extended their services up to the end of June 1909,

when, it was directed, they should be retired. Mr. Rama Rao is 60 years old, and Mr. Krishna Iyengar, though reported to be only 53 years, is not considered very efficient.

3. The Council is of opinion that there are no special reasons to re-consider the orders already passed directing the retirement of these officers from the 1st July 1909. This may be approved.

4. The question of selecting suitable men to succeed Messrs. Rama Rao and Krishna Iyengar will be considered in due course.

5. As regards Mr. Rama Rao's request to be given a pension, it may be pointed out to him that the Service of Public Prosecutors is not pensionable as they are not whole time servants of Government.

To,

The Secretary to the Government of His Highness the Maharaja of Mysore in the General and Revenue Departments Bangalore.

Sir,

In acknowledging the receipt of a copy of the Government Proceedings No. J 2064-76-Cls 139-08-3, dated 18th January last, I respectfully beg to submit the following for the kind consideration of Government.

I was appointed Public Prosecutor in 1885 under the old rules, and have ever since served Government for over 24 years, first in the Ashta Gram Division, then in the Nagar and now in the Bangalore Division.

Under the old rules Public Prosecutors were appointed not for any fixed number of years but just as other Government servants except that they were considered not entitled to any pension probably because they were not forbidden to take up private work as Advocates.

There never has been an instance in Mysore of an Advocate having held the appointment of Public Prosecutor for such a

a length of time as myself and for the past 18 years I have devoted all my time and attention to Government work for it was not possible for me to take up private practice as the Sessions Court was a circuit Court & the appellate work of the District Court had been taken up by the Chief Court.

As to the manner in which I have been discharging my duties it is not for me to say beyond stating that I had the rare fortune of having conducted a case on the Sessions side of the Chief Court of Mysore on that memorable occasion on which His Highness the Maharaja favored the Court with His August presence.

It was also my luck to have conducted Session cases when in early times our respected Dewan Sahab graced the seat of the Sessions Judge for a couple of months at Shimoga

Lastly I have also been fortunate in having conducted Session cases before the Permanent Secretary when he some time back ably & worthily filled the seat of a Sessions Judge first as District Judge & then as the Judge of the Chief Court of Mysore.

Having regard to these facts I most humbly beg that you may kindly be pleased to move the Government to treat my case as a special case to confer on me some pension, & in the event of that not being possible to grant me at least an extension of Service for another year.

I have the honor to be

Sir

Your most obt & humble Servant
